## **Walking from town (10 minute walk)**

Locate Trafalgar Street, the street that runs directly under Brighton Station's front entrance. Half way down, take a left at Milk and Bread on to Whitecross Street. Go straight ahead at the traffic lights, onto New England Street, keep straight, bypass Sainsbury's and you'll see New England House on your right.

## **Finding us in New England House**

New England House is open from 7am-5pm Monday to Friday. Locate the main entrance on New England Street and either take the external stairs one floor up (or the lift) to Level 4. The FuseBox is on the North side on the building, bypass Upstream and find us at the end of the corridor.

*Please note that New England House has restricted access after 5pm on weekdays and on the weekends. If you are trying to attend an event in these times/days, please locate the intercom system (right of the building manager's office on New England Street). Press 4 for Wired Sussex/The FuseBox and this will allow someone from the studio to say hello and buzz you in.*
